***Declaration of compliance with European regulations on Restriction of Hazardous Substances (ROHS)  
and  
the European Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)***

Ventilmotor S.r.l. declares that all the items produced and marketed meet the current Regulations regarding environmental safety and safeguard the health of the operators involved.

**RoHS Directive (Restriction of Harmful Substances 2002/95/EC)**

Ventilmotor S.r.l. complies with the requirements of the RoHS directive of the European Union, as it avoids harmful materials and surface treatments from the production process and the marketing of the products. The materials and the finishing of the products don't exceed the levels of acceptability imposed for the concentration of lead, zinc, mercury, PBB and PBDE.

**REACH (Registration, Evaluation, Authorisation, Restriction of Chemicals)**

In accordance with art. 33 of the REACH Regulation, as a supplier we are required to communicate the presence of the substances included in the List in case they are included in our products in concentrations higher than 0.1% by weight. Following recent additions by ECHA of additional chemicals to the "SVHC" list, we inform you that in the items provided by Ventilmotor S.r.l. there aren't:

- “highly problematic” substances (SVHC) present to a concentration > 0.1% weight;
- restricted substances use or placing on the market included in Annex XVII of the REACH Regulation, according to EC Regulation no. 1272/2013.
